Honorable Judge Robert D. Drain  
United States Bankruptcy Court  
Southern District of New York  
One Bowling Green Room 610  
New York, NY 10004

Dear Judge Dain:

This letter is in reference to Delphi Court Case #05-44481 filed October 5, 2005, specifically  
**THIRD ORDER AUTHORIZING AND DIRECTING THE DELPHI  
FORMER OFFICERS AND EMPLOYEES ESCROW AGENT TO DISBURSE  
INTERIM PAYMENTS TO THE DELPHI FORMER OFFICERS  
AND EMPLOYEES FOR DEFENSE COSTS.**

As a retired executive who is now an unsecured creditor based on my SERP claim, I strongly object to the court allowing continuing payment of defense funds for executives who helped guide Delphi into bankruptcy.

Based on your ruling to eliminate healthcare and insurance for all retired salaried employees to save \$70 million, how can you justify five million dollars for defense of a few executives who full well knew what they were doing and the legal consequences of such actions.

Mr. Battenberg and the others should be left to stand on their own. If they are found guilty, will the funds be returned?

Very Truly Yours,

James L. Crouse (retired Director of Engineering, Delphi Packard Electric Systems)
